www.agcas.org.uk/assets/download?file=2103&parent=832

e-Learning resources

Prepare2GetAhead – gives an introduction to career planning for students and provides a step-by-step approach to enable students to develop and create their own career plan. It aims to help students to make the most of their time at university and to explore options that interest them, as well as gain relevant skills and experiences. <http://www.prepare2getahead.co.uk/>

Innovate2GetAhead – provides students with an introduction to innovation skills and developing an innovative mind-set. It is aimed at all students, as the activities and case studies can be applied to students looking to start or develop their own business. <http://www.innovate2getahead.co.uk/>

Career tools

Job Hunting in China www.agcas.org.uk/agcas_resources/193-Job-hunting-in-China - Workshop for careers practitioners to deliver to Chinese students within their institutions. Its aim is to help Chinese students gain an understanding of the employment market in China, including how to market themselves and identifying sources for job hunting.

Case studies

Case Studies of Chinese Graduates http://www.agcas.org.uk/agcas_resources/183-Case-studies-of-Chinese-graduates - Most of the case studies featured were generated from UK alumni contacts made during the China visit to Beijing and Shanghai by members of the AGCAS Internationalisation Task Group in 2009. The case studies represent the views of individuals at different stages in their careers.
