

## Resources for Job Hunting in India

### Sannam S4 Graduate Development Service

Sannam S4 Graduate Development Service [www.sannams4.com](http://www.sannams4.com) - is an India career advisory and placement programme to support returning graduates. They have extensive experience of the Indian recruitment environment and provide insightful guidance and local services to assist new graduates with their first employment opportunity in India by preparing them for interviews and connecting them directly with Indian companies.

To make the most of the scheme students need to enrol early in the academic year by emailing Ritu Singh [ritu.singh@sannams4.com](mailto:ritu.singh@sannams4.com). The enrolment fee has been paid for by your university and is valid for 12 months after completing your degree.
